Complementary to the *Crimson Paper #2 (The Committee - Basics about the Expert Committee on Drug Dependence of the World Health Organization)*, this fact sheet presents the current updated list of known members of the Expert Committee on Drug Dependence (ECDD) from the 38th meeting (November 2015) to the 40th meeting (June 2018).

Read the *Crimson Paper #2* on www.faaat.net/think-tank-en/crimson-paper-2

The *Crimson papers* and *Crimson fact sheets* are series of information documents on the general functioning of the international drug scheduling process (*papers*) and on the present and expected changes regarding Cannabis and its derivatives (*fact sheets*).

Explore the web portal with all you need to know about Cannabis international scheduling, future steps, and action taken, on www.faaat.net/towards-descheduling
